Tessuti tinti a capo che raccontano storie di vita vissuta, trame fatte di morbide sensazioni e tinte soffuse, emozioni ritrovate nelle pieghe del passato e del presente. Ivano Redaelli propone un intero linguaggio espressivo, in una collezione che ricerca uno stile volutamente informale, e proprio per questo estremamente raffinato ed elegante.

-
Fabrics dyed piece by piece tell about true-life stories, wefts made of soft sensations and suffused colors, past and present recovered emotions. Ivano Redaelli suggests a complete expressive language, designing a collection with a so deliberately informal style that becomes extremely refined and elegant.
