Explore the Senses

Avvolgersi in una lussuosa pelliccia e abbandonarsi a calde, ricche, seducenti sensazioni. In una reggia d'Europa? Nella cabina di un transatlantico? No, in una capanna di pescatori dell'estremo Nord, un villaggio della Terra del Fuoco, una tenda nella tundra. Magari, leggendo una conturbante novella pubblicata nel 1870 — “*Venus in Furs*”: la storia di una crudele dea dell'amore, vestita di una morbida pelliccia, e di un misterioso manoscritto, “*Memorie di un Uomo Soprasensuale*”.

To wrap itself in a luxurious fur and give up to warm, rich and seductive sensations. By a European palace? A transatlantic cabin? Not at all. By the farthestmost North fishermen's hut, by a village in the Fire's Land, by a tent in the tundra. Even reading an exciting novel published in 1870 — “*Venus in Furs*”: the story of a cruel goddess of love, dressed of a soft fur, and of a mysterious manuscript: “*Memories of a Super sensual Man*”.
